home care services

Making Lives Better,[®]

**In your own home,
on your own terms.**

Access a full suite of premium in-home care services using Home Care Package funding.

Home Care Packages

Home Care Packages (HCP) are a government funded subsidy helping older Australians access care to stay at home for longer. You can receive funds to help you stay independent and safe in your home and remain connected with your own community.

As a Government Approved Home Care Package Provider, Nurse Next Door's all inclusive 10% Home Care Package Management includes both Care and Package Management with all your care overseen by a Care Designer who is a Registered Nurse.

How can we make your day happier?

At Nurse Next Door we encourage a positive outlook through our Happier Ageing[®] philosophy of care. With a focus on possibility, Nurse Next Door's extraordinary family of nurses and caregivers empower you to keep living life to the fullest and maintain a sense of purpose, regardless of age.
